It is with the utmost delight and happiness that Bangladesh Ceramic Manufacturers & Exporters Association (BCMEA) shall hold the country's largest commercial trade fair on ceramics for 4th time under the name- "CERAMIC EXPO Bangladesh". This trade show will be an important tool for encouraging both the public and commercial sectors to develop business ties with Bangladesh's ceramic industry.

I wish the "CERAMIC EXPO Bangladesh-2025" a great success.

It is with great pleasure that I announce the Bangladesh Ceramic Manufacturers & Exporters Association (BCMEA) is set to host the largest international exhibition, "CERAMIC EXPO Bangladesh 2025."

With over 70 listed manufacturers and a cumulative investment exceeding USD 1.80 billion, the ceramic industry stands as one of the most dynamic and rapidly growing sectors in Bangladesh.

I extend my best wishes for the resounding success of "CERAMIC EXPO Bangladesh 2025," and hope it continues to grow in scale and significance in the years to come.
