It brings me great pleasure to congratulate the Bangladesh Ceramic Manufacturers & Exporters Association (BCMEA) on organizing such a world-class Ceramic Exhibition & Seminar titled "CERAMIC EXPO Bangladesh-2024". Currently, one of the nation's fastest-growing industries is the ceramics sector in Bangladesh. In addition to local and international demand continuing to expand in line with the rising development in real estate and property throughout the world, the ceramic sector is one of our notable businesses that has supported national growth for many years.

It is with the utmost delight and happiness that Bangladesh Ceramic Manufacturers & Exporters Association (BCMEA) grabs the chance to hold the country's largest commercial trade fair on ceramics in its next phase under the name- "CERAMIC EXPO Bangladesh". This trade show will be an important tool for encouraging both the public and commercial sectors to develop business ties with Bangladesh's ceramic industry.

I wish the "CERAMIC EXPO Bangladesh-2024" a great success.
